Nota

As línguas nacionais, como qualquer língua, estão em constante transformação e evolução. Ao ler a tradução da Constituição da República de Angola na **Língua Oshikwanyama**, o leitor poderá encontrar vocabulário e/ou construções fráscas que já tenham sofrido mutaões ao nível lexical, morfológico, fonológico e sintático. Contudo, a tradução apresentada, na presente data de publicação, foi realizada com o máximo rigor linguístico.

OSHIIMBO SHOPASHIWANA**

«Angola Avante»

Ó Pátria nunca mais esqueceremos
Os heróis do 4 de Fevereiro
Ó Pátria nós saudámos os teus filhos
Tombados pela nossa independência
Honrámos o passado, a nossa história
Construímos no trabalho o homem novo
Honrámos o passado, a nossa história
Construímos no trabalho o homem novo

Angola avante, revolução
Pelo poder popular
Pátria unida, liberdade
Um só povo uma só nação

Angola avante, revolução
Pelo poder popular
Pátria unida, liberdade
Um só povo uma só nação

Levantemos nossas vozes libertadas
Para a glória dos povos africanos
Marchemos combatentes angolanos
Solidários com os povos oprimidos
Orgulhosos lutaremos pela paz
Com as forças progressistas do mundo
Orgulhosos lutaremos pela paz
Com as forças progressistas do mundo

Angola avante, revolução
Pelo poder popular
Pátria unida, liberdade
Um só povo uma só nação

Angola avante, revolução
Pelo poder popular
Pátria unida, liberdade
Um só povo uma só nação
